

Evanescence - Zero

Tom: **A**

(**Bb A D**)
 My reflection, dirty mirror
 there's no connection to myself
 I'm your lover, I'm your zero
 I'm the face in your dreams of glass

(**D E D F E Eb D**)
 So save your prayers
 for when you're really gonna need 'em
 throw out your cares and fly
 Wanna go for a ride?

(**Bb A D**)
 She's the one for me
 She's all I really need
 Cause she's the one for me

A
 Emptiness is loneliness and loneliness is cleanliness
 and cleanliness is godliness, and God is empty just like me

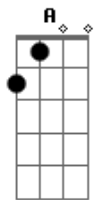

(**Bb A D**)
 Intoxicated with the madness, I'm in love with my sadness
 Bullshit fakers, enchanted kingdoms
 The fashion victims chew their charcoal teeth

(**D E D F E Eb D**)
 I never let on that I was on a sinking ship
 I never let on that I was down
 You blame yourself, for what you can't ignore
 You blame yourself for wanting more

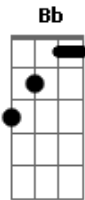

(**Bb A D**)
 She's the one for me
 She's all I really need
 She's the one for me
 She's my one and only

As cifras **Bb** e **A** que se encontram na intro e ao longo da música, não são exatamente desse jeito que se tocam, tem que fazer uma "ponte" de **Bb** para **A**. Algo como Bb->**A** bem rápido...espero que entendam... :P
