

Éver Luz - Potência Divina

tom:

C

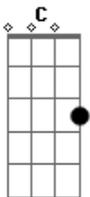

Eu sou potência divina
 Eu sou centelha de Deus
 Alinho os meus pensamentos
 E as minhas ações no caminho do amor

É onde habita o silêncio
 Que escuto meu coração
 Quem sente amor de verdade
 As vezes saude

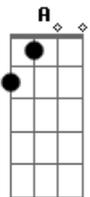

As vezes oração

A fé que me aponta o caminho
 Me diz que sozinho não sou
 Somos poeira de estrelas
 Milagres da vida
 A abelha e a flor
 Polinizar amor enquanto faz o mel
 E encontrar na vida
 Pedacos do teu próprio céu
