

Evergrey - The Paradox Of The Flame

tom:
 Intro: Em D C
 Em G D C

Em
 So there you are
 C D
 I've been searching for so long
 Em
 And here you are
 G C
 Feels like a trick on my senses
 D Em
 How I wish for you to carry me
 C
 Far away from harm
 G
 And to ensure that all
 D Em
 All we left is still buried deep
 C D
 So that our hearts will endure

(Em D C)
 (Em G C D)
 (Em D C)
 (Em G D C)

Em
 So here we are
 C D
 I understand our intentions are different
 Em
 It's no one's fault

Em

G C
 But there are light years in between us
 D Em
 How I wish that we still feel the same
 C
 That we did never change
 G D
 And that we share tomorrow
 D Em
 No time enough to mend our ways
 C
 Without our hearts being torn
 Em D
 I begged until my knees were sore
 C Em
 I tried so much more than you
 Em G C
 You never heard my words and I felt
 D Em
 I was never enough for you
 Em D
 And here we stand heartbroken now?
 C Em
 We lost our way, lost somehow
 G C
 And there is no hate, I might still love
 D
 The paradox of the flame
