Am C  
I run to prevent the fall  
To escape the wounds  
The unanswered calls  
Just put it all to sleep  
Lay it all to rest  
Am C  
I need to rid the doubt  
To believe again  
To even breathe in the same way  
But someone needs to show me how

Am C  
I always thought that i would know  
That when things were broken it would show  
Somehow i though i always knew  
The difference between the lie and truth  
I always thought i'd live a little longer  
To have a chance to grow a little stronger  
But maybe i was wrong

( G F )

Am C  
I ran but i did still fall  
I can't prevent the wounds  
I'm sore and my suffering's greater  
How i wish for sleep so that i could rest  
And i run from the obvious

Am C  
Been so devious cause i thought that i was free  
Thought that i was free and

I always thought that i would know  
That when things were broken it would show  
Somehow i though i always knew  
The difference between the lie and truth  
I always thought i'd live a little longer  
To have a chance to grow a little stronger  
But maybe i was wrong

Somehow I thought I'd always know  
If you were hurting it would show  
We are broken and I'm left alone  
Then I was wroooooooooong  
Maybe I was wroooooooooong  
I always thought I'd live a little longer  
To grow a little stronger  
I always thought that I would know  
That when things were broken it would show  
Somehow I though I always knew  
The difference between the lie and truth  
I always thought I'd live a little longer  
To have a chance to grow a little stronger  
But maybe I was wroooooooooong
