

The Everly Brothers - Down In The Willow Garden

Tom: G

Down in the willow garden G C G Em
 Where me and my love did meet G Em
 As we sat a-courtin' G C G Em
 My love fell off to sleep G D G
 I had a bottle of burgundy wine Em D G Em
 My love she did not know G Em
 So i poisoned that dear little girl G C G Em
 Along the banks below G D G
 I drew a sabre through her G C G Em
 It was a bloody knife G Em
 I threw her in the river G D G

Which was a dreadful sight

My father often told me Em D G Em
 That money would set me free G Em
 If i would murder that dear little girl G C G Em
 Whose name was rose connelly G D Em
 My father sits at his cabin door G C G Em
 Wiping his tear-dimmed eyes G C G Em
 For his only son soon shall walk G D G
 To yonder scaffold high Em D G Em
 My race is run, beneath the sun G Em
 The scaffold now waits for me G C G Em
 For i did murder that dear little girl G D Em
 Whose name was rose connelly
