

The Everly Brothers - How Did We Stay Together

Tom: G

I know they ^G call you foolish
 Cause you say you believe in me ^{D7} ^C
 If they had their way you'd soon forget ^G
 That I love you ^{D7}
 If they do convince you ^G
 Just say to them if they're so wise ^{D7} ^C ^G

How did we stay together all this time
 They tried to tear our love down ^C
 And destroy your trust in me
 And then they tried to scare you by saying ^G
 Wait and see ^{D7}
 But if I am the liar ^G
 They say that's handing you a line ^{D7} ^C
 How did we stay together all this time ^G ^{D7} ^G
