

The Everly Brothers - I'll Never Get Over You

Tom: C

I'll never get over you no matter how I try
I'll never get over you baby unless I die

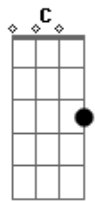

I live my life to the fullest I take my love where it lies

I hold the girls they enjoy it but I always kiss them goodbye

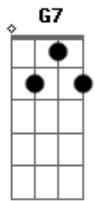

At night I'm never lonely I laugh and drink sweet wine
In the morning I wake up smiling a young man in his prime

I may live to be a hundred a long and happy life
But there's one thing you can bet on I'll never have a wife
I'll never get over you no matter how I try
