

# The Everly Brothers - Oh So Many Years

Tom: C

C  
 All these many years I've loved you no one has ever known F  
C G7  
 No one has ever known but you alone  
C F  
 I've kept it locked inside my heart and smiled through all my  
 tears  
C G7 C  
 My darling I have loved you oh so many years  
  
F  
 Each night within my lonely room I cry dear over you  
C G7  
 And pray to God that things will turn out right  
C F  
 But when the dawn of day appears I brush away my tears  
C G7 C

My darling I have loved you oh so many years

F  
 I'll go on pretending that my life is oh so gay  
C G7  
 And happy dear without you by my side  
C F  
 When all the time my heart is longing just to have you near  
C G7 C  
 My darling I have loved you oh so many years  
  
F  
 Maybe faith will lead us down a path where we will meet again  
C G7  
 And then we'll both be free to love anew  
C F  
 Then one sweet kiss from your dear lips will banish all my  
 fears  
C G7 C  
 My darling I have loved you oh so many years
