

# The Everly Brothers - Sigh, Cry, Almost Die

Tom: C

Sigh cry almost die I can't kiss you again  
 This is the end you've had your fun and now it's done  
 I can't love you again this is the end  
 You've had your fun and now it's done  
 Love is a waste on you  
 You couldn't keep it if you tried

You go on being you  
 You like to see me sit and sigh cry  
 Almost die I can't kiss you again this is the end  
 You've had your fun and now it's done  
 Sigh cry almost die  
 I can't kiss you again this is the end  
 You've had your fun and now it's done  
 You've had your fun and now it's done
