

The Everly Brothers - That's What You Do To Me

Tom: G

Bom do-dee bom do-dee bom bom bom ba do-dee

That's what you do to me

Bom do-dee bom do-dee bom bom bom ba do-dee

That's what you do to me

No matter where I go no matter what I do

Your face is all I see

Since our first date I can't think straight

Well that's what you do to me

I walk around with my head in a whirl

Like a ship on a stormy sea

I look into your eyes and I'm hypnotized

Well that's what you do to me

Oh for your love

I'd pay cupid to give you a shove

It's so plain to see

Everyone knows what you're doing to me

I'd like to tell you how I feel

But oh golly-gee

My voice gets weak when I try to speak

Well that's what you do to me

Acordes
