

The Everly Brothers - These Shoes

Tom: C

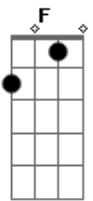

I need to buy me some new shoes
 Cause I've been walkin' off the blues
 My soles are comin' all apart
 They're lookin' just like my old heart
 People think that my luck's down
 Cause I just walk the streets of town
 But I'll be steppin' high real soon
 About the time I'm over you
 And you will be the first to know
 Cause I'm sending you these worn out shoes
 These shoes are all you're gonna see
 These shoes will be the last of me
 These shoes they help me walk away
 There's nothing left to say

I'll say it all to you with these worn out shoes
 Since I've been out here on my own
 I've never felt so all alone
 I walked for days and thought of you
 I sat for hours and drank a few
 So you'll know all you put me through
 I'm sending you these worn-out shoes
 I'm sending you a real surprise
 I'll bet you won't believe your eyes
 These shoes are all you're gonna see
 These shoes will be the last of me
 These shoes they help me walk away
 There's nothing left to say
 These shoes are all you're gonna see
 These shoes will be the last of me
