

Everton Silva - Ainda

tom:

Intro: D A Em7 G7

Não tenho sentido você me ver, se o segredo é acontecer

Olho pra raízes dos seus olhos, que me faz viajar

Se teu pesadelo, encontro ainda o mar

Quero beijar a sua boca, que me dá prazer

E não me encontra

Quando me faz acontecer, se acontecer um beijo seu

Ainda te encontro, pelo azul do céu,

Ah, meu doce azul

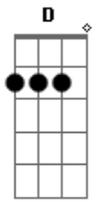

Mas sei lá, que mal ainda me dá

Pois ainda será, pois ainda será

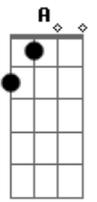

Ainda
