tom:
Intro: **Gb Db Ebm B**
Gb Db Ebm B

B Gb Ebm Db
Leaving your tears on my shoulder
B Gb Db
Your eyes beg me to stay
B Gb Ebm Db
We were finally changing
B Gb Db
It's our luck, we're a little too late

[Refrão 1]

B
I'd take you with me if there was a way
Db
Sorry, don't cut it so I say

[Refrão]

Gb
Take all of your doubts
You can throw 'em out
Db
You may be unsure, but I know
Ebm
I'm always coming back

You can bet on that
B
You're the only place I call home
Gb Db Ebm B
Near or far, where you are is where I want to be
Gb
Every lonely night

Every drunken fight
Db
Couldn't make it right, I know
Ebm
If it hurts you bad

Put it on my tab
B
I can pay it back tenfold
Gb Db Ebm Db B
You're the only place I've ever called my home

[Segunda Parte]

B Gb Ebm Db
Years pass, we're growing older
B Gb Db
And you're not sure you can wait
B Gb Ebm Db
So I promise, it won't always be like this
B Gb Db
You say, "It's always the same."
B
We're falling apart if you think so
Db
I'm holding on even if you let go

[Refrão]
