

Every Avenue - Tell Me I'm a Wreck

tom:

[Primeira Parte]

I could have been easier on you
I could have been all you held on to
I know it wasn't fair, I tried my best to care
about you
I know I could have been a better man
But I always had to have the upper hand
I'm struggling to see the better side of me

Pré-Refrão:

But I cant take all your jabs and taunts
Your pointing out my every fault
And you wonder why I walked away

[Refrão]

When you tell me I'm a wreck, you say that I'm a mess
How could you expect anything less
You latched on to me then cried I strung you along
I told you when you asked, I knew this wouldnt last
At least I could be honest about that
And now you're telling everyone how I only did you wrong
I guess you never knew me at all

[Segunda Parte]

Remember on my 21st birthday
You took me where we went on our first date
we stayed till closing time, after four glasses of wine
You started with a pointless argument

Said that I forgot to compliment
The dress you wore that night, that I've seen a thousand times
[Pré-Refrão]

But I think we just want different things
I want space, you want a diamond ring
Whatever made you think we were meant to be?

[Refrão]

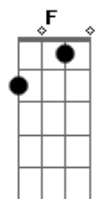

When you tell me I'm a wreck, you say that I'm a mess
How could you expect anything less
You latched on to me then cried I strung you along
I told you when you asked, I knew this wouldnt last
At least I could be honest about that
And now you're telling everyone how I only did you wrong
I guess you never knew me at all

(F C Dm Bb)

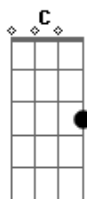

[Refrão]

When you tell me I'm a wreck, you say that I'm a mess
How could you expect anything less
When you tell me I'm a wreck, you say that I'm a mess
How could you expect anything less
You latched on to me then cried I strung you along
I told you when you asked, I knew this wouldnt last
At least I could be honest about that
And now you're telling everyone how I only did you wrong
But still I see you standing there waiting around for me to fall
Girl you must be crazy still believing you and me belong
I guess you never knew me at all
