

# Evinha - Casaco Marrom

tom:

Intro: Em A7 D  
C A7 D

Eu vou voltar aos velhos tempos de mim

Vestir de novo o meu casaco marrom

Tomar a mão da alegria e sair

Bye bye Cecy, nous allons

Copacabana está dizendo que sim

Botou a brisa à minha disposição

A bomba H quer explodir no jardim

Matar a flor em botão

Eu digo que não

Olhando a menina de meia estação

Alô coração

Eu vou voltar aos velhos tempos de mim

Vestir de novo o meu casaco marrom

Tomar a mão da alegria e sair

Bye bye Cecy, nous allons

Copacabana está dizendo que sim

Botou a brisa à minha disposição

A bomba H quer explodir no jardim

Matar a flor em botão

Eu digo que não

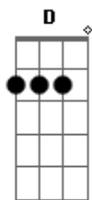

Olhando a menina de meia estação

Alô coração, alô coração, alô coração

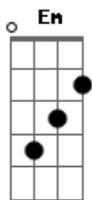

Eu vou voltar aos velhos tempos de mim

Vestir de novo o meu casaco marrom
