

Evoeh - Pele

tom:

G

Pode ser que Deus crucificado

Não tivesse a cor da pele, negra

Pode ser que o imperador de Roma

Não tivesse a cor da alma, negra

Mas aquele sangue, de um menino que morreu

F C

Em Johannesburgo

Tinha a mesma cor do seu

Tinha a mesma cor do seu

Por trás de mil verdades

Bm

Tem algo em comum

É o desejo cego da sobrevivência

Por trás de cada fé

Existe um Deus

Recolhendo o que sobrou

De seus fiéis

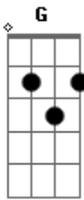

Pele, pele

Pele, muito negra pele

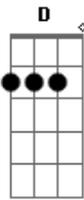

Pele, pele

Pele, muito negra pele
