

Exaltasamba - Alma Gêmea

tom:

C

Eu percebi no seu olhar

G7

Um anjo bom de me guiar

No céu que não vai desabar

O mel do meu prazer

Um nó que não vai desatar

A luz que veio pra ficar

No coração

Que sabe o que é sofrer

Você também já percebeu

Que o seu grande amor sou eu

Que a solidão já se perdeu

Vou te fazer feliz, vem

Se o destino quis assim

Bom pra você, melhor pra mim

É impossível duvidar ainda

Linda

Pede pra Deus abençoar

E o nosso amor eternizar

Abrir meu coração

Bem-vinda

Vem, meu pedacinho de maçã

Me perfumar toda manhã

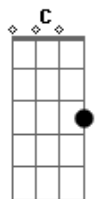

Com esse cheirinho bom de fêmea, (de fêmea)

Vem, preciso tanto de você

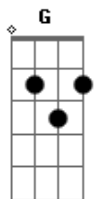

Eu quero ser seu bem querer

Você é minha alma gêmea
