

# Exaltasamba - Surpresa do Amor

tom:

A

A cor da tua pele a me excitar  
 O brilho dos teus olhos ao luar  
 Teu corpo tão bonito e sedutor  
 O teu doce perfume de uma flor  
 Fez reviver em mim a velha fé  
 De ter na minha vida uma mulher  
 Matei o velho amor que não valeu  
 Juntei os meus desejos com os teus  
 E assim eu reabri

Meu triste coração
