

## **Exiles of Eden - Echoes Of Dust (Acoustic)**

```
tom:
Intro: Gm F Cm Eb
I came from the silence
I rose from the ground
A breath in the stillness

A life to be found
I walk with the questions
I bleed through the rust

But I am still breathing
          Eb F Gm F
An echo of dust
If I fade, will You still find me?

When I break, will You still stay?

Eb Cm
I am nothing ? yet You hold me
                    F Eb Cm
Even dust still calls Your name
The wind knows my story
The earth holds my bones
The fire that made me
Still burns though I roam
