

Exit mouse - This Is (Not) The End (feat. Caleb Hyles)

tom:

D

D D7 G

We're specks of dust

D D7 G

Hurling nowhere through unending void

D D7 G

We're blinks of time

D D7 G

Clinging haphazardly to life

D D7 G

There's a comfort in knowing the truth

D D7 G

That there's no point to anything we do

D D7 G

Every minute we waste is a gift

D D7 G

Our ambitions are ours to forget

D D7 G

Our kingdom's built

D D7 G

Knowing new worlds

Will rise from our bones

D D7 G

We play pretend

D D7 G

Till we run out of time in the end

D D7 G Gm

And we'll do it again 'till it's done

D D7 G Gm

But we know it's never enough

D D7 G

You can only get what you give

Gm

As the sky crashes down

F

Hold me firm 'till it's my turn again

D D7 G

(My turn again)

I want it to end

D D7 G

(Playing pretend)

This game of pretend

D D7 G

(Starting again)

To start over again

D D7 G

(Oh, hold me close)

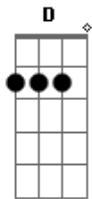

Dm F

To start over again

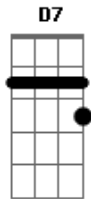

G D

(Is this the end?)
