

Extreme - Ghost

Tom: C

C C
Tell me, there's no need to be afraid
Am
They're only shadows cast, past this place
C Bb
Where voices carry at the speed of sound
Am G
If I should cry before they lay me down

F Am
Sorry for the words, words I left unsaid
F Am
Sorry being one of the words I did forget
F Ab
All the time we spent, wasted in the end
Am G
Every precious moment taken for granted
F
There in the corner of my mind
Am
Lies the weight of my regret
F
Between the shadow and the light
G
Ghost you're in my head

C C
Shelter from the storm when I sleep
Am
There's comfort in the morn, a siren sings
C Bb
If only for a moment, I can breathe
Am G
The thought of you comes crashing through on me

F Am
Sorry for the words, words I left unsaid
F Am
Sorry being one of the words I did forget
F Ab
All the time we spent, wasted in the end
Am G
Every precious moment taken for granted
F

There in the corner of my mind
Am
Lies the weight of my regret
F
Between the shadow and the light
G F Am
Ghost you're in my head
F G
Ghost you're in my head

C
Tell me, there's no need to be afraid
Am
They're only shadows cast past has played
C Bb
Where voices carry at the speed of sound
Am G
If I should die before I lay me down

(F Am)
(F Am)
(F Ab)
(Am G)

F Am
I'm sorry for the way, the way I treated you
F Am
A little bit too late, but if you only knew
F Ab
I'd take away the pain, pain I put you through
Am G
I'd do it all again walking in your shoes

F
There in the corner of my mind
Am
Lies the weight of my regret
F
Between the shadow and the light
G F Am
Ghost you're in my head
F G
Ghost you're in my head
