G G          C          Am7           C         D     D G
     Saying "I love you" is not the word I want to hear from
you
G            C         Am7           C        D  D Em
It's not that I want you not to say, but if you only knew
     Am7  D7                G        D    Em
How easy it would be to show me how you feel
            Am7
More than words
     D7            G7             C
Is all you have to do to make it real
         Cm              G            Em7
Then you wouldn't have to say that you love me
     Am7      D7      G
Cause I'd already know

                  D    Em       Bm       C
What would you do if my heart was torn in two
                             Am7
More than words to show you feel
          D7             G
That your love for me is real
              D    Em       Bm     C
What would you say if I took those words away
                        Am7
Than you couldn't make things new
         D7          G    G
Just by saying I love you

          C           Am7            C         D    D
Em
All you have to do is close your eyes and just reach out your
hands
      Am7      D7               G      D    Em
And touch me, hold me close, don't ever let me go
         Am7
More than words

Is all I ever needed you to show

Then you wouldn't have to say that you love me
    Am7      D7  D7    G
Cause I'd    already     know
