

Fabiana Cantilo - Cosas que pasan

F tom:

Donde fué un chico que conocí?
 Estaba en Lou Reed sonando en su grabador
 Fabricabamos películas de amor sobre la cama
 Y mirabamos tormentas de papel por la ventana

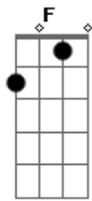

Donde fué ya no me atiende su voz?
 Díganle que esto nos sirve a los dos

Solo: (Dm G C C7) x2

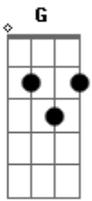

Sobre dosis de amor Sobre dosis de amor

Donde fué el chico que conocí?
 Estaba en Lou Reed sentado en su grabador
