

# Fabiano Dobbins - Encontro de Almas

tom:

D

A esperança nasce na paixão  
 Não sei, a alma que decide  
 Decide qualquer alma

O desejo da esperança do amor

Tempo de desejo  
 O pensamento voa

O verde do mar, o azul do céu

Sem nada para dizer

Encontra o infinito

As loucuras do amor

No real de minha alma  
 Meu desejo é ser feliz

O verde do mar, o azul do céu

Sem nada para dizer

Encontra o infinito

Há esperança na paixão

Não sei se é verde, azul quem sabe

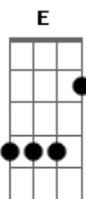

A decisão de amar

Vai florar,..... vai florar

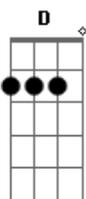

Vai florar,..... vai florar

Vai florar,..... vai florar
