

Fábio Jr. - Eu nunca estive tão apaixonado

Tom: C
Intro: F Bb7 C D F C Fm C

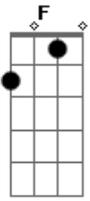

O que eu puder, eu vou fazer pra não te machucar
 Mas a verdade eu vou dizer melhor acreditar
 Eu já morri, já renasci do amor, mas nunca fui pra alguém o que hoje eu sou
 E se mudar é claro eu vou mudar, faz parte do caminho

Mas cada fruto que eu colher, trarei pro nosso ninho
 Não sou tão bom, nem tão ruim, não sou
 Mas nunca fui pra alguém o que hoje eu sou
 Transparente, desajeitado, de todo jeito me ajeitando do teu lado
 Pra me esconder, ou me espalhar, com todo cuidado
 Eu nunca estive tão apaixonado.....
