

# Fábio Jr. - Sem peso e sem medida

Tom: C  
Intro: Am Em F7 C Am Em F7 F

Quando a noite desce com um beijo, sonhos ficam a rolar no chão

Fecho os olhos pra te olhar e vejo, minha vida em suas mãos

Se o amor esconde algum segredo, você fez eu descobrir que não

Foi assim que eu perdi o medo de abrir meu coração

Todo dia é um novo dia pra sonhar, eu corro pra te acordar

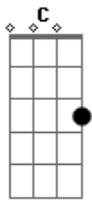

E me entregar, sem peso e sem medida  
Toda boca é a sua boca pra chegar e nunca mais achar a saída

Se o amor esconde algum segredo, você fez eu descobrir que não

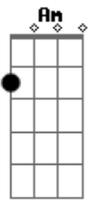

Temos todo o tempo que é preciso, temos tudo e a chave do prazer

Se um desejo esconde o seu sorriso eu divido com você
