Hey Kid

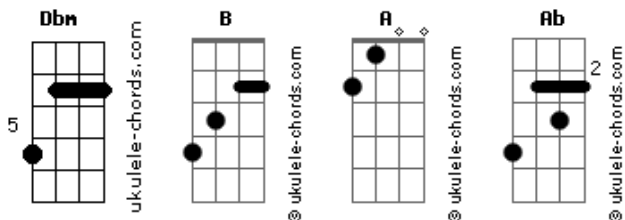

Dbm B
Hey kid... do you remember me?
A Ab
Don't be scared ? we're still the same
Dbm B
I know you never dreamed it'd be
A Ab
This kind of game

Dbm B
We thought we'd rule the world someday
A Ab
That freedom had no price to pay
Dbm B
Oh, my boy... I owe you tears
A Ab
No one cares what's in here

Dbm B
You had fire in your veins
A Ab
Now it's smoke in my lungs
Dbm B
Every dream that we burned
A Ab
Still whispers in tongues

Dbm B
I... still try to find you
A Ab
In the noise of the days
Dbm B
But I... can barely hear you

Acordes

A Ab
Through the bills I pay

Dbm B
Hey kid... I lost your smile
A Ab
Sold it cheap for a little peace
Dbm B
Thought I'd find some meaning
A Ab
But it just won't stick

Dbm B
I built a house, but it's not home
A Ab
Filled the rooms with empty tones
Dbm B
You once said we'd change the world ?
A Ab
Guess the world changed me first

Dbm B
Who would I be... if I had been?
A Ab
Who would I be... if I had left instead of stayed in?

Dbm B
I... still try to find you
A Ab
In the noise of the days
Dbm B
But I... can barely hear you
A Ab
Through the mask I made

Dbm B A Ab
?Hey kid? remember me??
