What if I'm right and you are wrong?
What if you knew it all along?
What if I figured out that
I did not belong?
What if it always bothered me?
What if I never did believe?
Would it be wrong if
I decided that I should leave?

Am F
If I pretended I was blind
And struck it from my mind
Would it still be there?
Am F
What if I'd do anything
To make it seem all right
C Am
It's all right

F
What if it's all inside my head?
Dm
What if those words were never said?
