

The Faces - Open To Ideas

Tom: A

Hey Baby, when I call your name
and the telephone come to ring
It'll be me ringing for my own Backyard
and I could do anything
Surely you can wait just a half an hour more
I won't be that way, a will
Knowin' that you really want me baby
I could never be honored for

Cause I'm always open to ideas
Cause I'm always open to ideas (yeah, babe... listen)

Strange that I don't need no break to find out
what it's all about
You and me baby make it really work
but I don't give a damn to shout

Makes two people kinda really happy
not to get along
But sure I'm right when it makes you doubt
I got nobody on the phone

Cause I'm always open to ideas
Cause I'm always open to ideas (yeah, babe... listen)
I can really feel that we'd be better
Surely as one we got more chance together
I don't really need you, but I guess you don't know
Soon as I come back home, and I don't feel good.

But I'm really open to ideas (ooh baby)
But I'm still open to ideas
any time you want to call
But I'm really open to ideas (yeah, one more for me)
But I'm still open to ideas
