

# Fagner - Além Desse Futuro

tom:  
Cm

Intro: Cm

Se eu vejo a luz do teu olhar

Desejo tudo e mais além

E posso até dizer que sei, oh! Meu amor

Em que tempo esse futuro passará

Qualquer canção lembra de nós

Quando as palavras falam bem

O sentimento também chora e faz sofrer

Mas atrás o pensamento vai também

Se o tempo vai aonde eu for

Eu juro não te esquecer

Se um dia a gente chora

É alegria agora

Nascemos pra sonhar que vai chover

Se a luz de um trem lembra meu ninguém

Perdido num sertão sem cor

Além do mundo em chamas

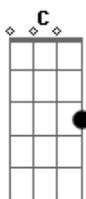

A gente ainda se ama

Além desse futuro, meu amor

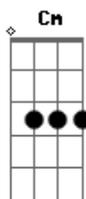

[Final]

Além desse futuro, meu amor
