

Faith No More - Falling To Pieces

Tom: **A**

Intro: (**A**)

(**A**)

Back and forth, I sway with the wind
Resolution slips away again
Right through my fingers, back into my heart
Where it's out of reach and it's in the dark

(**D**)

Sometimes I think I'm blind
Or I may be just paralyzed

(**A**)

Because the plot thickens every day
And the pieces of my puzzle keep crumblin' away
But I know, there's a picture beneath

E D E D
Indecision clouds my vision

D E D

No one listens

Because I'm somewhere in between

A D E

My love and my agony

You see, I'm somewhere in between

G

My life is falling to pieces

(**A**)

Somebody put me together

(**A**)

Layin' face down on the ground
My fingers in my ears to block the sound

My eyes shut tight to avoid the sight
Anticipating the end, losing the will to fight

(**D**)

Droplets of "yes" and "no"
In an ocean of "maybe"

(**A**)

From the bottom, it looks like a steep incline
From the top, another downhill slope of mine
But I know, the equilibrium's there

Indecision clouds my vision
