Album: King for a day, fool for a lifetime..

Notes:
 I think this is pretty darn close to the recorded version. It's a really neat sounding song, and I enjoyed tabbing it. Feel free to change any of my mistakes if you think it needs them. I havn't got the solo yet, but it sounds easy, so I might have it soon.. Happy Playing!!

Figure 1:
 Notes: the hardest part is that long strech at the end(for me)!!

Figure 2:
 Notes: This is probably not exactly how they play it, but the chords are RIGHT!

Slow Upward strum

Figure 3:
 Notes: As in all the tab I do, there is NO timeing, you need to listen and find out yourself, it's good for you.
