                          this guy's in love with you
   You see, this guy,
       Ab7
                        G7sus4 G7 Cm
 Yes I'm in love;
                       who looks at you the way I do?
                                                             If not I'll just die
             Eb
                           Ab7 Db
                                                             Eb7 Ab7 Db7
                                                                                     Eb7 Ab7
                                                                                                 G7sus4 G7 Cm
When you smile I can tell we know each other very well
                                                                                          Ab7
                                                             Bbm
                                                                                                   Db
                                                             Tell me now, is it so? Don't let me be the last to know
