

Fall Out Boy - 27

Tom: **D**

Bm
If home is where the heart is

G
Then we're all just fked

Em
I can't remember

Bm
I can't remember

Bm
And I want it so bad

G
I'd shoot the sunshine into my veins

Em **Gb**
I can't remember the good old days

G
And it's kind of funny

Bm
The way we're wearing anchors on our shirts

G **Gb**
When being anchored aboard just feels like a curse

Bm
My mind is a safe

G
And if I keep it then we all get rich

Em
My body is an orphanage

Bm **A**
'We take everyone in'

D
Doing lines of dust and sweat

A
Off last night's stage

Bm
Just to feel like you

Bm
The milligrams in my head

G
Burning tobacco in the wind

Em
Chasing the direction

Bm
Chasing the direction you went

Bm
You're a bottled star

G

The planets align

Just like Mars

Em
You shine in the sky

Bm
You shine in the sky

G
Are all the good times getting gone?

Bm
They come and go and go and come and go

G
I've got a lot of friends who are stars

Gb
But some are just black holes

Bm
My mind is a safe

G
And if I keep it then we all get rich

Em
My body is an orphanage

Bm **A**
'We take everyone in'

D
Doing lines of dust and sweat

A
Off last night's stage

Bm
Just to feel like you

G
And it's kind of funny

Bm
The way we're wearing anchors on our shirts

G **Gb**
When being anchored aboard just feels like a curse

Bm
My mind is a safe

G
And if I keep it then we all get rich

Em
My body is an orphanage

Bm **A**
'We take everyone in'

Doing lines of dust and sweat
