

Fall Out Boy - After Life Of The Party

Tom: **F**
Intro: **F** (x4)

F **Dm**
I'm a stitch away, from making it

Bb **F** **C**
And a sca---r away, from falling apart, apart

F **Gm**
Blood cells pixelate and the eyes dilate

Bb **F** **C**
And the full moon pills got me Out on the street at night

Chorus:
Bb **F** **C**
Cut it loo---se, Watch you work the room
(Repeat 4 times)

Interlude: **F**

Verse 2:
F **Dm**
Put love on hold, young hollywood
Bb **F-C**

Is on the other li---ne
F **Gm**
Her nose runs ruby red, Deaths in a double bed
Bb **F** **C**
Singin' songs that could only Catch the ear of the desperate

(Repeat Chorus and interlude)

Verse 3: Different tune compared to verse 1

F **Dm**
I'm a stitch away, from making it

Bb **F** **C**
And a scar away, from falling apart, apart

F **Gm**
Blood cells pixelate, and eyes dilate

Bb **Bb** **C**
Kiss away young thriills and kills On the mouths of, all my friends

(Repeat Chorus singing a higher voice)

end on **F**
