

Fall Out Boy - Beat It

```
Tom: D
                                                                    Verse.2 Pt.1 Guitar 2
  Tuning: DADGBe
                                                                    Verse.2 Pt.2 Guitar 1 (this time without Palm Mute.)
Guitar 1
Intro: . Pt.1
                                                                    Throw in a few muted notes like on the song also inbetween
Verse. 1 Pt.1
                                                                    parts
Guitar 1
                                                                    Verse.2 Pt.2 Guitar 2
                                                                    Mini Breakdown Guitar 1
Verse.1 Pt.2 (this time without Palm Mute.)
                                                                    Mini Breakdown Guitar 2
                                                                    Have Yet To Figure Out The Solo Fully So I Wont Post What I
                                                                    Have Just Yet Incase Its
Will Post It As Soon As Possible Tho. =D
Throw in a few muted notes like on the song also inbetween

Intro: . Pt.2
                                                                                       x1
                                                                                       x1
Verse.1 Pt.2 Guitar 2
                                                                    Verse. Pt.1
                                                                                     x1
                                                                    Verse. Pt.2
                                                                                     x1
                                                                    Chorus.
                                                                                     x4
                                                                    Verse. Pt.1
Chorus Guitar 1
                                                                                     x1
                                                                    Verse. Pt.2
                                                                                     x1
                                                                    Chorus.
                                                                                      x4
                                                                    Mini Breakdown x1
Guitar 2
                                                                    Solo. Pt.1
                                                                                     x1
                                                                    Solo. Pt.2
                                                                    | / slide up
| \ slide down
| h hammer-on
Verse 2 Pt.1
Guitar 1
                                                                    p pull-off
                                                                        .
vibrato
                                                                       harmonic
                                                                    x Mute note
