

## Fall Out Boy - Disloyal Order Of Water Buffaloes

```
Intro: D
I'm coming apart at the seams.
Pitching myself into other people's dreams.
Like buzz, buzz, buzz.
             Bm
Doc, there's a hole where something was.
              Bm
Doc, there's a hole where something was.
D --- A - G (x2)
[Verse 1]
Fell out of bed. Butterfly bandage, But don't worry.
             D
You'll never remember, Your head is far too blurry.
Put him in the back of a squad car, Restrain that man
                G
                           Α
He needs his head put through a cat scan.
Hey editor, I'm undeniable
  Bm
            G A
Hey Doctor, I'm certifiable
I'm a loose bolt of a complete machine
                               Bm
What a match: I'm half doomed and you're silly sweet
D-D-D-D
[Chorus]

So boycott love, Detox just to retox
And I'd promise you anything for another shot at life
                         Bm
Imperfect boys, With their perfect ploys
Nobody wants to hear you sing about tragedy (wants to hear you
sing about tragedy)
D - - A - G (x2)
[Verse 2]
Little girl, You got my staring eye
Or was it just a telescopic camera lie
Pretty dolls in the highway Truck stop stalls
Lock-less jails to deny my rules
So rookies leave your badge and your gun on the desk when you
leave the room
I'm a loose bolt of a complete machine
                                Bm
What a match: I'm half doomed and you're silly sweet
Chorus
[Bridge]
