

# Fall Out Boy - Fake Out

tom:

Intro: | D | Bm | G | G | 2x

[Primeira Parte]

Take a knife and cut through the darkness  
 Castle temp red wine, but I make no plans and none can be  
 broken  
 No plans and none can be broken  
 Remember us just like this forever but this can't last, won't  
 last  
 So make no plans and none can be broken  
 No plans and none can be broken

[Pré-Refrão]

Do you laugh about me whenever I leave?  
 Or do I still need more therapy?

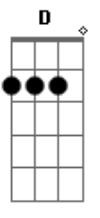

[Refrão]

Love is in the air  
 I just gotta figure out a window to break out  
 Buri?d alive inside my dreams, but it was all a fak? out  
 And I don't care, I just gotta figure out a window to break  
 out  
 Buried alive inside my dreams, but it was all a fake out, fake  
 out

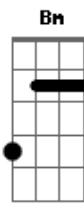

[Segunda Parte]

My mood board is just pictures of you, but I'm not sad anymore  
 So make no plans and none can be broken  
 No plans and none can be broken  
 But I didn't take the love when I had the chance, but I swear

[Ponte]

Oh, we all started out as shiny dimes  
 But we all got flipped too many times  
 We did it for futures that never came  
 And for pasts that we're never gonna change
