

Fall Out Boy - Favorite Record

Tom: D

Intro: Bm G D A

[VERSE 1]

Bm G
Do you do, do you remember
D A
When we drove, we drove, drove through the night
Bm
And we danced, we danced
G D A
To Rancid, and we danced, we danced
Bm G
And I confessed, confessed to you
D A
Riding shotgun underneath the purple skies
Bm
And we danced, we danced
G D A
With windows down, and we danced, we danced

[PRE-CHORUS]

Bm G
I'll spin for you like your favorite records used to
D A
I'll spin for you like your favorite records used to

[CHORUS]

Bm G
You were the song stuck in my head
D A
Every song I've ever loved
Bm G
Played again and again and again
D A
And you can get what you want but it's never enough
Bm G
And I'll spin for you like your favorite records used to
Bm G

And I'll spin for you like your favorite records used to

[VERSE 2]

Bm G
And I can't, I can't, I can't remember
D A
Just how to forget, forget the way
Bm
That we danced, we danced
G D A
To Danzig, and we danced, we danced
Bm G
And when you asked, you asked me how I'm doing
D A
Like you know, you know how much better off I am
Bm
And when we danced, we danced
G D A
With windows down, and we danced, we danced

[PRE-CHORUS]

Bm G
I'll spin for you like your favorite records used to
D A
I'll spin for you like your favorite records used to

[CHORUS]

Bm G
You were the song stuck in my head
D A
Every song I've ever loved
Bm G
Played again and again and again
D A
And you can get what you want but it's never enough
Bm G
And I'll spin for you like your favorite records used to
