

Fall Out Boy - G.i.n.a.s.f.s

Tom: **D**

Things aren't the same anymore **G**
 Some nights it gets so bad **D**
 You almost pick up the phone **D**

Bm Trade baby blues for wide-eyed browns **G**
 I sleep with your old shirts and walk through this house **Gbm**
 In your shoes, I know it's strange **E**
 It's a strange way of saying that I know I'm supposed to love you, **Bm**
 Whoa-oh-oh **G**

~VERSE 2~

D I've already given up on myself twice
 Third time is the charm, third time is the charm
A Threw caution to the wind but I've got a lousy arm

D And I've traced your shadows on the wall **Bm**
 Now I kiss them whenever I'm down, whenever I'm down **D**
 Figured on not figuring myself out **Bm**
 Things aren't the same anymore **G**
 Some nights it gets so bad **D**
 I almost pick up the phone **G**

~Chorus~

Born under a bad sign **G**
 You saved my life **D**
 That night on the roof of your hotel **G**
 Cross my heart and hope to die Splinter from the headboard in my eye **D**
 Photo-proofed kisses I remember so well **G**

~Chorus~
