(intro)  
Say my name and his in the same breath  
I dare you to say they taste the same  
Let the leaves fall off in the summer  
And let December glow in flames

(intro)  
Erase myself and let go  
Start it over again in Mexico

(riff)  
These friends, they don't love you  
They just love the hotel suites, now

(refrão)  
I don't care what you think as long as it's about me  
The best of us can find happiness in misery  
Said,  
I don't care what you think as long as it's about me  
The best of us can find happiness in misery (x2)

(intro)

Oh take a chance, let your body get a tolerance  
I'm not a chance, put a heat wave in your pants  
(riff)  
Pull a breath like another cigarette  
Pawnshop heart trading up (trading up)

(intro)  
Oh the oracle in my chest,  
Let the guitar scream like a fascist  
(riff)  
Sweat it out, shut your mouth  
free love on the streets but  
in the alley it ain't that cheap, now

(refrão)  
I don't care what you think as long as it's about me  
The best of us can find happiness in misery  
Said,  
I don't care what you think as long as it's about me  
The best of us can find happiness in misery  
(intro, sweet)  
Said,  
I don't care just what you think  
as long as it's about me, you said  
I don't care just what you think  
as long as it's about me, I said  
I don't care (I don't care)  
Said, I don't care (I don't care)  
Said, I (I) don't (don't) care (care)  
I (I) don't (don't) care (no I don't)  
I don't care, (I said)  
I don't care, (I said)  
I (I) don't (don't) care (care)

(refrão)  
I don't care what you think as long as it's about me  
The best of us can find happiness in misery

I don't care what you think as long as it's about me  
The best of us can find happiness in misery
