Em Why is this bedroom so cold? D
Bm You turned away on your side A
Em Is my timing that flawed? D

Bm A
our respect runs so dry
Em D

Bm A
That we've kept through our lives
Em D D Bm A
Love, love will tear it apart again

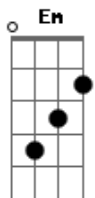

Verse three

Em D
You cry out in your sleep
Bm A
All my feelings exposed
Em D
And there's a taste in my mouth

Yet, that something's so good
Bm A
Just can't function no more, when
Em D D Bm A
Love, love will tear us apart again
