

## Fall Out Boy - Miss Missing You

```
So give me your filth, make it rough

                                                                                                                                                                                                                                                                                                                                                                                                                                      I miss missing you, now and then
Making eyes at this husk, around my heart
                                                                                                                                                                                                                                                                                                                                                                                                                                      [Final] E Gbm Dbm
I see through you and we're sitting in the dark
