

Fall Out Boy - Nobody Puts Baby In The Corner

Tom: **A**

Tuning: Standard

Drink down that gin and kerosene,
And come spit on bridges with me,

(strumming)

Just to keep us warm.
Light a match to leave me be.

Light a match to leave me be.

I'll keep my jealousy close,
'Cause it's all mine.
And if you say this makes you happy,

m m m m m m

Then I'm not the only one lying.

Chorus x2:
Keep quiet,
Nothing comes as easy as you.
Can I lay in your bed all day,
I'll be your best kept secret,
And your biggest mistake?
The hand behind this pen relives a failure every day.

I'll keep my jealousy close,
'Cause it's all mine.
And if you say this makes you happy,

m m m m m m

Then I'm not the only one lying.

Drink down that gin and kerosene,
And come spit on bridges with me,

(strumming)

Just to keep us warm.
Light a match to leave me be.

Light a match to leave me be.

Chorus x2:
Keep quiet,
Nothing comes as easy as you.
Can I lay in your bed all day,
I'll be your best kept secret,
And your biggest mistake?
The hand behind this pen relives a failure every day.

(**A**)

So wear me like a locket around your throat.
I'll weigh you down.
I'll watch you choke.
You look so good in blue.
You look so good in blue.
[x3]

(interlude continues)

Chorus x3:
Keep quiet,
Nothing comes as easy as you.
Can I lay in your bed all day?

(acappella 1st time)

I'll be your best kept secret,
And your biggest mistake.
The hand behind this pen relives a failure every day.
