

## Fall Out Boy - Sugar Were Going Down

```
(verse 2 guitar 2) "isn't it messed up"
Tom: C
   (intro guitar 1)
                                                                (pre chorus) "drop a heart..." (palm mute)
(intro guitar 2)
                                                                (chorus)
(verse 1 guitar 1) "lie in the grass..."
                                                                (interlude guitar 1)
(verse 1 guitar 2) "lie in the grass..."
                                                                (interlude guitar 2)
(pre chorus) "drop a heart..." (palm mute)
(chorus)
                                                                (interlude continued guitar 1)
Chorus continued
                                                                (interlude continued guitar 2)
                                                                (interlude continued guitar 3)
(pre verse)
                                                                (outro guitar 1)
(verse 2 guitar 1) "is this more than..." (palm muted)
                                                                (outro guitar 2) (fades out)
```
