

Fall Out Boy - Sugar we're going down

tom:

Intro: D G Bm G
D G Bm G

Am I more than you bargained for yet?
I've been dying to tell you anything
You want to hear, cause that's just who I am this week
Lie in the grass next to the mausoleum

Bm
I'm just a notch in your bedpost, but your just a line in a song
(I'm just a notch in your bedpost, but your just a line in a song)

Gbm G A Bm
Drop a heart, break a name
We're always sleeping in and sleeping for the wrong team

D
We're going down down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet
A loaded gun complex cock it and pull it
We're going down down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet
A loaded gun complex cock it and pull it

(Gb G A Bm)
(C Bm G)

D G Bm
Is this more than you bargained for yet
Oh don't mind me I'm watching you two from the closet
Wishing to be the friction in your jeans
Isn't it messed up how I'm just dying to be him
I'm just a notch in your bedpost, but your just a line in a song
(I'm just a notch in your bedpost, but your just a line in a song)

Down, down in an earlier round, and sugar we're going down swinging
I'll be your number one with a bullet, a loaded god complex cock it and pull it
We're going down, down in an earlier round, and sugar we're going down swinging
