And I want these words to make things right
                                                                   "He, he tastes like you only sweeter"
But it's the wrongs that make the words come to life
                                                                   Bridge:
"Who does he think he is?"
                                                                              Am
