D
Stuck in the jet wash
G
Bad trip I couldn't get off
Bm
And maybe I bit off more than I could chew
G
And overhead of the aqua blue
D
Fall to your knees bring on the rapture
G
Blessed be the boys time can't capture
Bm
On film or between the sheets
G
I always fall from your window to the pitch black streets
G
And with the black banners raised
Bm
As the crooked smiles fade
G Bm
Former heroes who quit too late
G Bm A
Just wanna fill up the trophy case again
Refrão:

D G
And in the end, I'd do it all again
Bm
I think you're my best friend
G
Don't you know that the kids aren't all, kids aren't alright
D G
I'll be yours, when it rains it pours
Bm
Stay thirsty I'll be fine
G
Don't you know that the kids aren't all, kids aren't alright
D
I'm not passive but aggressive
G
Take note, it's not impressive
Bm

Empty your sadness like you're dumping your purse
G
On my bedroom floor, we put your curse in reverse
D
And it's our time now if you want to to be
G
More the war like the carnival bears set free
Bm
And your love is anemic and I can't believe
G
That you couldn't see it coming from me
G Bm
And I still feel that rush in my veins
G Bm
It twists my head just a bit too thin
G Bm A
All those people in those old photographs I've seen are dead
Refrão:
D G

Don't you know that the kids aren't all, kids aren't alright

And sometimes I just want to sit around, and gaze at my shoes
yeah
Bm D G
And let your dirty sadness fill me up, just like a balloon

And in the end, I'd do it all again
Bm
I think you're my best friend
