Verse 1

Guitar 1 0:20

I got my stitches stitched, I got my fixes fixed,
In my aching heads I got my kisses slipped.
Our gossip lips stuttered every word I said, I said,

It's true - romance is dead, I shot it in the chest
then in the head.

Guitars 1 & 2 0:40

And if you wanna go down in history then I'm your
prince,
Because they've got me in a band

It was never about the songs, it was competition,
Make the biggest scene, make the biggest...
