# Falling In Reverse - I Hate Everyone

Tom: A

```
      E        Db            Ab
I had a bad day once again
A
Please leave me alone
E          Db             Ab
There must be something I have missed
A
Where did I go wrong
E            Db          Ab
You fucked me up you have no clue
                            A
It's what I get for trusting you
E          Db         Ab  A
You're the only reason that
        E    Db    Ab   A
I hate everyone

( E  Db  Ab  A )

  E                        A
I'm sick and tired of all the things
That keep you away from me
E                       A
You go run and tell your friends

That I' am the enemy
E                          A
I hate this house I hate your mom

And fuck your friends I hate them all
E                     A
You're the only reason that

E    Db    Ab    A
I hate everyone
E    Db    Ab    A
I hate everyone       I hate everyone
E                   Db            Ab
You're always talking shit behind my back
                A
And smile to my face what's up with that
E           Db          Ab      A
And you're the reason that I have to hate everyone

E                        A
So good luck on fixing me
And what we could have been
E                          A
But you'll always fail to see

I'm forever broken
E                        A
I hate your guts I hate his too

I hate myself for loving you
E                          A
You're the only reason that
```

```
        E    Db    Ab    A
I hate everyone
        E    Db    Ab    A
I hate everyone
        E           E
I hate everyone
                    Db            Ab
You're always talking shit behind my back
                  A
And smile to my face what's up with that
E           Db          Ab      A
And you're the reason that I have to hate everyone

Oh my dear I've seen better days

Because this is the worst day ever

And i do hate everyone

But for you, you are the only exception
                E    Db    Ab    A
Everyone but you

        E    Db    Ab    A
I hate everyone
        E           E
I hate everyone
                    Db            Ab
You're always talking shit behind my back
                  A
And smile to my face what's up with that
E           Db          Ab
If just you only knew the truth
A           E    Db    Ab    A
I hate everyone but you

        E    Db    Ab    A
I hate everyone
        E           E
I hate everyone
                    Db            Ab
You're always talking shit behind my back
                  A
And smile to my face what's up with that
E           Db          Ab
If just you only knew the truth
A           E    Db    Ab    A
I hate everyone but you

        E    Db    Ab    A
I hate everyone
        E           E
I hate everyone
                    Db            Ab
You're always talking shit behind my back
                  A
And smile to my face what's up with that
E           Db          Ab      A
And you're the reason that I have to hate everyone

( E  Db  Ab  A )
```

Acordes
